1.7. Additional fees for maintenance of an account which the bank may charge to the client			
The additional fee for maintenance of an account for an increment in clients' deposits when the total amount of deposited funds in all currencies is no more than EUR 3,5 million as at 31 December	free of charge		
The additional fee for maintenance of an account for an increment in clients' deposits when the total amount of deposited funds in all currencies is more than EUR 1,75 million as at 31 December	0,20 %*		
*The deposit balance increment fee equals the base multiplied by the fee. The base equals the difference between the total amount of the client's deposits as at 31 December and average daily balance of the client's deposits for the period from 1 September to 30 November of the relevant year. If the base is negative the fee equals zero. The total amount of the client's deposits consists of the client's funds deposited in current, savings, term and deposit accounts and in deposit bills in all currencies. The fee is calculated annually and can be charged from any of the customer's account, and is payable during January of the following year. For converting foreign currencies into EUR and conversely, UniCredit Bank Czech Republic and Slovakia, a.s., Branch of a Foreign Bank's average rate as of 31 December of the relevant year is used.
